Re: New Version of the Archdiocesan Pastoral Communiqué

Beginning next Monday, May 1, 2017, we will roll out a new version of the Pastoral Communiqué, our weekly newsletter of archdiocesan news.

These changes will help to make it easier to read and keep information more organized for recipients.

In addition to a new website look, the new Communiqué you will receive each week will list the various staff positions in our parishes, schools and the Chancery. You will click on the position that applies to you for the latest information.

A link to the complete Communiqué will also be available.

Please see the attached graphic for a preview of the new Pastoral Communiqué. Again, this begins next Monday, May 1st.

The process for submissions will remain the same, which you can find [here](#).

If you have any questions, please email communications@archatl.com.
