Re: 2020 Convocation of Priests

I wanted to let you know that both the day of appreciation/recreation for priests, an optional event sponsored by the Serrans, scheduled for Monday, September 14, and our Convocation, scheduled for September 14-17, are still on. All priests serving in the Archdiocese of Atlanta are expected to attend the Convocation.

There have been many inquiries and a lot of speculation about whether or not these events were going to take place. As of this afternoon, we have a green light. You will receive the formal letter and registration materials within the next week or so.

Thank you very much.
