Re: Lenten Day of Reflection – Speaker resource list and presentation

Brothers in Christ,

Thank you to all who joined us last week for our annual Lenten Day of Reflection, Chrism Mass and Jubilarian Dinner. We had a great turnout and hope that you found the reflection informative and helpful.

Some of you have requested the [presentation slides](#) and [resource list](#) that Peter Attridge and Fr. Santo mentioned. Please find it attached.

As you know, the Committee for the Ongoing Formation of Priests works to provide ongoing formation opportunities and speakers to assist you in human, spiritual, intellectual and pastoral formation. Towards that end, we welcome your suggestions for future speakers and topics. So please feel free to reach out to me or one of our committee members should you have any thoughts, comments or requests for upcoming events.
