Re: 2025 Ongoing formation events

Brothers:

Each year, the Committee for the Ongoing Formation of Priests organizes events and gatherings that provide both education and fellowship. Many of the study day topics and speakers come directly from your feedback—through evaluation forms and conversations with committee members.

We are pleased to offer a diverse range of topics and insightful speakers, all focused on the four pillars of ongoing priestly formation: human, spiritual, intellectual and pastoral.

It is always encouraging to see so many of you participate, and we hope you continue to take advantage of these opportunities—not only to gain valuable insights but also to spend time with your brothers in ministry.

You will find [attached](#) a list of upcoming events, including topics, speakers, dates and times. Registration details will be sent out a couple of months in advance of each event. I encourage you to review the list, mark your calendars and join us for one or more of these enriching gatherings.

We look forward to seeing you there!
