

## Bulletin Notes for February

### **February 1 – 4<sup>th</sup> Sunday in Ordinary Time**

**Lower Your Income and Taxes with an IRA QCD Gift to the Parish:** With an IRA QCD (qualified charitable distribution) gift to the parish endowment fund, you can support your parish without impacting cash flow – and benefit from lowering income and taxes. Contact Juliet Greco at the Catholic Foundation ([jgreco@cfnga.org](mailto:jgreco@cfnga.org) or 404-497-9440) for more information or go to [cfngalegacy.org](http://cfngalegacy.org).

### **February 8 – 5<sup>th</sup> Sunday in Ordinary Time**

**Use Your IRA to Create an Annuity** You can use an IRA distribution to create a charitable gift annuity, guaranteeing you quarterly payments for life and providing a donation to your parish endowment fund. Contact Juliet Greco at the Catholic Foundation (404-497-9440 or [jgreco@cfnga.org](mailto:jgreco@cfnga.org)) for more information on this charitable opportunity.

### **February 15 – 6<sup>th</sup> Sunday in Ordinary Time**

***"How shall I make a return to the Lord for all the good He has done for me?" - Psalm 116:12*** A simple way is naming the parish endowment fund as a partial or full beneficiary of your 401K, IRA or other retirement account. This is easy and costs you nothing during your lifetime. For more information, contact Juliet Greco at the Catholic Foundation ([jgreco@cfnga.org](mailto:jgreco@cfnga.org) or 404-497-9440) or visit [cfnga.org](http://cfnga.org).

### **February 22 – 1<sup>st</sup> Sunday of Lent**

**Use Your IRA for Charitable Giving** An IRA qualified charitable distribution is an option for donors aged 70.5 and above with a traditional IRA. When given directly to charity, QCDs lower your taxable income and let you give without impacting your checkbook. Making a QCD to your parish endowment fund also supports your beloved community now and every year in the future. For more information contact Juliet Greco at the Catholic Foundation ([jgreco@cfnga.org](mailto:jgreco@cfnga.org) or 404-497-9440).
