Continuing Annual Appeal Management and Best Practices

Assuring That the Parish Reaches Its Goal

The campaign does not end when the in-pew processes are over. If your parish has not exceeded its goal by an amount large enough to assure that it will exceed its goal in cash, then further steps may be needed. Follow-up assistance and special mailings may be needed or something as straightforward as a monthly bulletin and pulpit announcement may resolve the problem. The Stewardship Office can assist you with any follow-up that may be needed. [Click here](#) to continue reading.

APRIL 2019 E-BULLETIN

Stewardship Saint of the Month: April

Saint Mark the Evangelist

Saint Luke's theology of stewardship is well-documented. But it is also well-known that an understanding of Saint Mark's theology of Christian discipleship in the second Gospel is necessary in order to understand Luke's views of stewardship. Hence, Mark's view of disciple as well as his stewardship of Saint Peter's memories, make him an important stewardship saint in his own right.

STEWARDSHIP QUOTE OF THE MONTH: APRIL

"Prayer reconnects us to God, charity to our neighbor, fasting to ourselves. God, my brothers and sisters, my life: these are the realities that do not end in nothing, and in which we must invest."

- Pope Francis
