Re: Additional optional training available

KnowBe4, the program the Archdiocese of Atlanta uses to offer IT security training, is offering a free training on keeping your home network safer.

This training is optional, but may be very valuable as people work from home right now. We encourage you all to take advantage of this offer.

Below is a link and password that you can share with your families as internet safety is important in both business and personal endeavors.

To get started, click on this link, https://www.knowbe4.com/homecourse, enter the password: homecourse and click "Submit." You have to scroll down the screen to access each module. Enjoy!
