Re: Advocacy and the Death Penalty webinar recording available

Webinar Recording

For those who were unable to join us live for Advocacy and the Death Penalty, the recording is now available to view on demand. [Click here to watch now.](#)

Please find below some resources for taking action and mobilizing your communities.

Urgent Action Needed

Urge President Biden to commute the federal death row

Catholics and people of goodwill are calling on President Joe Biden, a Catholic, to take a concrete and compassionate step to save lives by commuting the sentences of everyone on federal death row. By commuting these sentences, President Biden can offer these men a chance for redemption and demonstrate a commitment to upholding the dignity of all human life. **Sign the petition [here.](#)**
