То:	Priests and parish secretaries
From:	Maureen Smith, director, Office of Communications
Re:	Archdiocesan Mass and services livestreamed and broadcasted

Dear Friends,

As part of our COVID response, we created a list of archdiocesan Masses and services livestreamed and broadcasted. We have decided to leave the information posted as we get requests for it often. It will be moved into the Find a Parish section of the site since it is no longer a COVID-related offering.

It has been a while since this information was posted and we would like to provide our website visitors with the most up-to-date information.

Please review the <u>list</u> and email us any updates or additions to <u>Communications@archatl.com</u> by Monday, February 13.

Thanks for your participation.
