

# Call to Personal and Global Transformation

June 6-9

In the midst of our violent and hurting world, we will explore how God as Lover, Healer and Seducer ever invites us to new possibilities and to believe in our potential to make a difference. Through scripture and contemporary stories, we will explore how we are called to recognize and nurture God's presence in our world and in ourselves.

Born in Lancaster, England, **Edwina Gateley's** educational experiences have awarded her a Teacher's Degree from her home country, a Masters in Theology from Catholic Theological Union in Chicago and certification as an HIV Counselor in the State of Illinois.
