*Please share this information with your communities. A [PDF flyer](#) is also included.*

In this season of peace and love, consider opening your heart to one of our brothers incarcerated on death row.

Restorative Justice Ministry will be purchasing items for Christmas packages, and organizing the packing and delivery of our gifts to the men on death row at the Georgia Diagnostic and Classification State Prison in Jackson.

We ask for your financial assistance to support this project. You may give any amount you feel called to. If you would like to sponsor an entire package for one of the men, the amount is \$75. Visit <https://tinyurl.com/3v2h9mf3> to donate today.
