Re: Connecting high school graduates to campus ministry

Blessed Easter!

The Archdiocese of Atlanta is continuing to participate in [Newman Connection](#), Newman Ministry's high school outreach connecting graduating seniors with their college Catholic campus ministries. As we enter the season of high school graduations, please [sign up your parish](#) to participate in Newman Connection if you have not already. All the resources you need to promote this effort in your parish are available [here](#) (Catholic high schools can find them [here](#)). Sunday Masses that recognize graduating seniors and youth ministry gatherings can be excellent opportunities to support this effort.

If you have any questions, please contact Allen Austin at aaustin@archatl.com.

Thank you for all you do.
