**Re:** Convocation registration reminder

---

Brothers in Christ,

The registration link for the 2024 Convocation is live. We are so pleased that many of you have already registered. If you have not registered, I encourage you to go ahead and do so today.

If you wish to re-read the invitation letter for all the details regarding the event, you can find it [here](#).

I wanted to share a few additional details with you. The Office of Information Technology will be at the convocation on Wednesday, September 11, to assist you with any IT needs, so please prepare by bringing your questions or any device for which you may need help.

As you know, the Serra Club will host our annual Day of Recreation and dinner on Monday, September 9. They are sending out a formal invitation through the U. S. mail which you should receive later this week, so be looking for that and please respond promptly so they can get an accurate count of participants.

If you have not registered and need the link, you can find it [here](#).

We look forward to seeing you there!
