Re: Datebook Plus – Online Ongoing Formation Calendar

The Office of Education, Recruitment & Formation for the Society of Divine Word offers an online calendar entitled Datebook Plus. This online resource provides a listing of numerous conferences, events and online learning opportunities.

Information is currently posted from October 2019 through February 2020. The calendar provides a wealth of resources, which I believe you will find valuable as you plan your ongoing formation.

The calendar can be found at <http://uscongoinged.org/datebookplus.html>

Ongoing formation funding is available for many of the opportunities listed on the calendar.
