Re: Death row Christmas card program

Please consider engaging in this opportunity yourself and sharing this with your communities.

Death Penalty Focus is a non-profit organization based in California that is committed to furthering the death penalty abolition movement in their state and across the country.

As a way of ministering to the nearly 700 people on California's death row, Death Penalty Focus organizes a yearly holiday card program. To participate, simply email information@deathpenalty.org and they will provide you with an incarcerated person's address and further instructions. You supply the card and stamp, and use Death Penalty Focus' office address.
