

Memo

Date: April 17, 2018
To: Priests, Deacons, Brothers, Sisters, Principals and Chancery Staff
From: Tom Hardy, Director, Office of Information Technology
Re: Email Fraud Alert – Water Needed in South Sudan

Recently, one of our parishes was contacted by a priest asking for donations to install plastic water tanks to help its parish, orphanage school and refugee camp in the Diocese of Rumbek, South Sudan.

Please note that there is no St. Paul & Paul Catholic Church in the [Diocese of Rumbek](#).

If you receive this or any other fraudulent emails, please delete immediately.

Please follow your parish procedures when providing financial assistance. When in doubt, please contact the Office of Information Technology for further instructions.

Thank you.
