Re: Eucharistic Congress & National Eucharistic Revival updates

The [25th Eucharistic Congress](#) on June 17-18 will be launching the archdiocese into the three-year movement of the [National Eucharistic Revival](#). Please continue to pray for the Congress and spread the word.

Here are a few updates as we prepare for the Congress and the launch of the Revival.

- ❖ ***Eucharistic Revival Missionaries:*** If your parish has not yet submitted names and contact information for two, pastor-nominated *Eucharistic Revival Missionaries* to be commissioned at the Eucharistic Congress per Archbishop Hartmayer's request, the deadline has been extended to **Friday, June 10**. You may use the link [here](#) to submit names or you may contact Monica Oppermann directly at moppermann@archatl.com. For more information on envisioned responsibilities of the missionaries, see the [one-page list of tasks attached](#) or refer to the [communiqué memo of May 9](#).
- ❖ ***Parish EC Coordinator:*** If your parish has not yet designated a parish coordinator for the Eucharistic Congress, please ask your volunteer to go to the link in [English](#) or [Español](#) and sign up.
- ❖ ***Family Track:*** New this year at the Congress is a dynamic, interactive [Family Track](#) where parents/guardians attend with their children for a one-hour session. Please note that this track is taking the place of the former Children's Track. We appreciate your help in communicating to your families about this track and that there will be no Children's Track this year.

❖ **Resources for Corpus Christi Sunday (June 19):** The USCCB has shared some resources for parishes in anticipation of Corpus Christi Sunday for those wishing to hold parish eucharistic processions.

- Source and Summit has shared free Eucharistic Procession booklet templates and music resources for Corpus Christi Sunday ([additional information attached](#)); here is the link: <https://www.sourceandsummit.com/eucharistic-revival>.
- The Knights of Columbus have shared the attached “Eucharistic Procession Trifold” ([English](#) and [Spanish](#)) and “Eucharistic Procession Poster,” ([English](#) and [Spanish](#)).

Thank you for your attention to these requests/updates and for your prayers.
