Re: GRACE Scholars Awareness Weekend – September 30 – October 1 at All Parishes – Pastor Intro Text and Video/Audio

September 30 – October 1 is GRACE Awareness Weekend! This is our inaugural effort to strengthen support for the only Catholic Student Scholarship Organization in the state of Georgia. We have created a video, bulletin graphics and other resources for you to use in the parish. Here is the video/audio link:

<https://gracescholars.org/grace-scholars-awareness-weekend/>

The video/audio is to be shown or played after all Masses on GRACE Weekend. The link includes the pastor text to introduce the video. Many of your parishes will have school representation with GRACE information tables available after the Masses.

Thank you for your assistance in helping to spread the word about this amazing tax credit opportunity! With GRACE donations, Catholic school families with financial need can attend our Catholic schools.
