Grief, Mercy and Healing:
Real Stories of Abortion Loss***

Speakers

Liz Youngs

Kathryn (Trinnie)
Siegel

Jody Duffy

Join us for a presentation and discussion led by Liz, Trinnie and Jody, PAC's Post Abortion Treatment and Healing leaders. The evening is appropriate for anyone interested in learning more about how abortion affects women and men, both directly and indirectly. Perhaps most importantly, speakers will share the truth of how embracing God's mercy and tangible help for healing spiritual and emotional wounds can release shame and harvest joy.

*All older teens and adults are welcome.
Content may not be appropriate for young children.*
