

Hope from the Ashes

Preparing for Lenten Evangelization

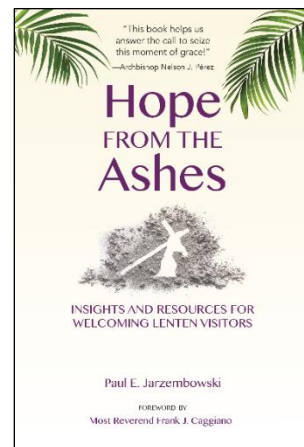

An interactive conversation facilitated by Paul E. Jarzembowski

Each Ash Wednesday and Lent, the Church experiences a sudden increase in engagement, especially among those who are otherwise disconnected from a faith community. Together, we will explore this annual phenomenon and consider how active Catholics can respond this and every year with an evangelizing heart and intentional pastoral accompaniment.

Paul E. Jarzembowski is an internationally recognized Catholic leader and the author of *Hope from the Ashes: Insights and Resources for Welcoming Lenten Visitors* [Paulist Press, 2022]. He is also the Associate Director for the Laity at the United States Conference of Catholic Bishops [USCCB] in Washington DC.

Hope from the Ashes is available through Amazon and Barnes & Noble online, as well as through the website of the publisher, Paulist Press www.paulistpress.com.
