**Re:** **Reminder** - Laudato Si' Action Plan Survey

---

Earlier this summer, we sent a survey to all parish business and facilities managers in an effort to quantify our success thus far in implementing the Archdiocesan Laudato Si' Action Plan.

The data from this survey will help us identify program and resource needs to support your parish as you continue to answer Pope Francis' call to care for all of creation. With those resources, you will be able to increase your parish's energy efficiency to both save money and improve the parish in the long run.

We are currently in need of considerably more responses to draw accurate conclusions from the findings. If your parish has not yet completed the survey, we would ask that you please make time to do so as soon as possible.
