Re: Eucharistic Revival and Marriage Enrichment

As the Church's effort towards Eucharistic Revival continues here and around the country, the Office of Evangelization and Discipleship would like to help your efforts to minister to marriages and families in this area.

Our office is now highlighting Marriage Enrichment ministries active at different parishes [here](#). If you would like to add your parish's Marriage Enrichment website, please let us know.

Other programs are online and on-demand. One such program, "Building a Eucharistic Marriage," is also available with Spanish subtitles and with a 20% discount, upon request. Please feel free to share this marriage-building information with your parishioners
