Re: Marriage Preparation update and 2022 program flyer

The archdiocesan website has been updated to reflect the four major aspects of Marriage Preparation. All of the resources needed to prepare engaged couples are outlined on this [page](#). Namely,

- 1) Important documents for clergy.
- 2) Marriage Prep Program options with details and dates.
- 3) Marriage Prep Inventory options.
- 4) Natural Family Planning methods and how to learn them.

Also, the 2022 dates for the archdiocesan sponsored programs have been updated. Please see [attached flyer](#).
