

# Memo

**Date:** November 13, 2023

**To:** Retired priests on Medicare

**From:** Deacon Christopher Andronaco, senior priest advocate, Office of Senior Priests

**Re:** Medicare supplemental coverage warning

---

Medicare B enrollment is open for the next few weeks and advertising for Medicare supplemental coverage is being heavily marketed.

**IGNORE these advertisements.** Do not respond to any of these. The Archdiocese of Atlanta provides superior supplemental coverage through the Hartford Medicare B Supplement and Express Scripts for Prescriptions.

Coverage for vision, dental and hearing aids is provided separately through the Priest Assistance Fund and matches the level of coverage provided under Meritain.
