# ARCHDIOCESE OF ATLANTA

## Memo

**Date:** June 16, 2021

**To:** Priests, deacons, parish communicators, principals and presidents, men and women religious, chancery and Catholic Charities staff

**From:** Maureen Smith, director, Office of Communications

**Re:** Mid-June update to COVID guidelines

---

The Archdiocese of Atlanta has updated the Frequently Asked Questions section of the COVID-19 guidance to include new information on mask-wearing, exposure to COVID-19 and summer activities within parishes. Please review the new FAQ in [English](#) and [Spanish](#).

In addition, the general guidance has dropped the requirement that parishes sanitize between Masses. Parishes should clean their facilities per their pastor's discretion.

Finally, updated guidance regarding choirs and singing was added last week.

General guidance is available here in [English](#) and [Spanish](#).
