**Re:** National Eucharistic Congress – Help with next steps

---

The 10th National Eucharistic Congress (NEC) in Indianapolis was a transformative experience of grace for more than 50,000 attendees, and the momentum is only beginning! Thank you for all the prayers and ways you have promoted the NEC and the call to revival. Below is information on next steps, including a draft bulletin announcement; we would be grateful if you can share broadly with your parishioners and communities.

- **Experience the National Eucharistic Congress:** To view the amazing talks and experiences at the NEC, go to the [NEC website](#). Additional access to videos is available on [EWTN's on-demand page](#) and [YouTube page](#) as well as [Relevant Radio's NEC page](#).
- **Calling All NEC Pilgrims:** We were blessed to have at least 350-400 pilgrims from our archdiocese in attendance. Due to privacy reasons, the national team was only able to share with us the emails of those who registered through our hotel packages. We are still hoping to connect with more NEC Pilgrims from the archdiocese. Those pilgrims who attended the NEC and have not been receiving communications from the archdiocese can sign up [here](#) to receive future emails. For those who attended and wish to share their experiences with The Georgia Bulletin, please email [editor@georgiabulletin.org](mailto:editor@georgiabulletin.org).
- **Year of Mission:** The NEC has launched the third year of the National Eucharistic Revival, the Year of Mission. Go to [archatl.com/revival](http://archatl.com/revival) to see the *Year of Mission Playbook* and the *Walk with One* initiative. Also, save

the date for our next local Eucharistic Congress in Atlanta, June 20-21, 2025.

Thank you for your prayers and for spreading the word. God bless you!
