Re: Natural Family Planning Awareness Week (July 21-27)

As marital chastity is an essential component of a happy married life, the USCCB annually promotes NFP Awareness Week, falling on July 21-27. This year's theme is: "Love Beyond Measure."

Understanding that this may be a challenging topic to discuss as well as a beautiful opportunity to share about God's plan for marriage, family life and human sexuality, many helpful resources have been made to assist you. These include bulletin briefs, homily tips, prayers of the faithful and posters, which all may be found [here](#).
