

Memo

Date: November 8, 2021

To: Priests, deacons, religious brothers and sisters and parish staff

From: Daniel West, Marriage and Family, Office of Formation and Discipleship

Re: Natural Family Planning training in Spanish

The Office of Formation and Discipleship, in conjunction with Jeanette Cahan from the Institute of Reproductive Health from Georgetown University, is offering a workshop on Natural Family Planning in Spanish at the Chancery on Saturday, December 4. The particular methods taught will be the Standard Days and Two Days Methods (within a fully Catholic approach).

Any Spanish speaker interested in a deeper understanding of marital chastity may attend. Participants will receive a certificate and have the ability to practice and/or teach the method after the workshop. Teaching the method will require a practicum.

The flyer in Spanish with full details and registration link is [attached](#). For more information, please contact me at 404-920-7631 or dwest@archatl.com.
