Memo

Date: December 13, 2021

To: Principals, business managers and payroll administrators

From: Shannon Wiggins, HRMS Analyst, Office of Human Resources

Re: New payroll system and transition schedule

We have informed you in the past of our plan to move to a new payroll platform, most recently during the November P+SIC conference. We have finally been given a firm date by Paychex and they will be retiring the current products used by our parishes and schools before the end of 2022. This includes Preview Payroll, Human Resources Online (HRO) and Time and Labor Online (TLO).

With Paychex retiring our current systems, they can no longer accommodate our growing needs. With that being said, the conversion to Paylocity will now begin. The migration schedule will need to be executed quickly because of the impending deadline of Paychex product access, with all locations processing payroll in Paylocity by July 2022.

Prerecorded online training will be available as well as limited dates for in person, hands on training. **The hands on training for the HR/Primary payroll processor(s) is required** and is available by Go Live groups. Please refer to the Go Live rollout schedule below to know what date you should register for training. Please register early.

HANDS ON TRAINING (REQUIRED). Due to COVID restrictions and logistics, seating is limited to one person per location. If you believe you have a second person who should attend, please contact me directly at swiggins@archatl.com.
