## **Annual Allowance for Ongoing Formation**

These pages highlight just a few of the many outstanding ongoing formation opportunities available to priests throughout the U.S. and abroad. Programs like these, along with the various activities coordinated by our own Committee for Ongoing Formation of Priests, are an invaluable resource for the life and ministry of the individual priest and the larger presbyterate.

In an effort to encourage an active participation in programs like these, the Archdiocese of Atlanta offers every active priest a generous annual allowance to support him in his efforts toward ongoing priestly formation. The funding limit for diocesan priests is \$2,500 and \$1,875 for religious. These funds are provided by his parish/ministry (50%) and the archdiocese (50%).

To access these funds, the priest must first submit a completed "Application for Funding" (final page of this document) to the Director of Ongoing Formation of Priests. This application provides an explanation of the proposed program or conference along with an estimate of all related costs. Applications must be received no less than six (6) weeks prior to the beginning of a program or conference. The ongoing formation director will review the request and in a timely manner will communicate his decision to the applicant. If approved, the priest will need to submit all related receipts to the ongoing formation director *after* he has attended the event. Reimbursement checks can then be issued. Again, the amount reimbursed comes from the priest's parish/ministry (50%) and the archdiocese (50%).
