**Date:** April 17, 2023

**To:** Parish Communicators and bulletin writers

**From:** Maureen Smith, director, Office of Communications and Tim Dirski, director of communications, Cathedral of Christ the King

**Re:** **Save the date** – Parish Communications workshop, Thursday, July 13

---

The Cathedral of Christ the King and the Office of Communications are offering a one-day professional development opportunity for parish communicators this summer. The workshop would feature skill-building workshops in critical areas of parish communications, expert speaker presentations on topics relevant to parish communications and opportunities for parish communications staffers to network and exchange ideas.

Registration will open soon. Please plan to join us on Thursday, July 13, at the Cathedral of Christ the King.
