Re: Planning Liturgies with the Cathedral of Christ the King

Please ensure that if you or anyone in your department plans any liturgical event at the Cathedral of Christ the King, be it Mass or something else, you **must** work with Dr. Pat DeJarnett in the Office of Divine Worship and share all information.

The Cathedral staff has asked to have one point of contact from the archdiocese for all liturgies to ensure that communications from Chancery offices are sent to the appropriate contacts at the Cathedral.

If you have any questions, please contact Dr. Pat DeJarnett at pdejarnett@archatl.com or 404-920-7339.

Thank you.
