Re: Prison Ministry information session – virtual meeting

Please consider sharing this event information with your parish community.

Restorative Justice Ministry will host a virtual Prison Ministry information session on Thursday, April 20, at 7 p.m.

This meeting is open to everyone interested in prison ministry – from those just getting started to veteran prison ministers. We will share information about training, badging and the status of the many facilities across the archdiocese, as well as ideas and resources for the many activities that all contribute to a thriving parish prison ministry.
