Re: *Recovering from Divorce* Facilitator Training – February 9, 2019

Do you feel called to provide support to Catholics recovering from divorce in your parish? Then the *Recovering from Divorce* facilitator training is for you. It provides all you need to launch a successful *Recovering from Divorce* group.

This program has been assisting individuals for more than 10 years, helping them find hope and healing through their faith. Based on Catholic teaching and doctrine, *Recovering from Divorce* will shorten recovery time, help people regain hope and restore peace to life by helping to connect with the gift of the Catholic faith.

The training will be Saturday, February 9, from 9:00 a.m. – 12:00 noon at the Chancery, 2401 Lake Park Drive SE, Smyrna, GA 30080. There is no cost to attend.
