Re: Religious Sisters Serving in the Archdiocese of Atlanta

The Office of the Vicar for Religious works to connect and help all Religious serving in the Archdiocese of Atlanta. In the last few weeks, I have learned that a few of our parishes have women in their communities claiming to be Sisters.

To make sure our lists are accurate, please send the name, address, phone number and religious community of all Sisters serving in your parish.

I will contact them directly and make sure Archbishop Gregory and our auxiliary bishops welcome them.

Please send their contact information or forward any questions to me at mmcanoy@archatl.com or call 404-920-7652.

Thank you.
