Naked

Without Shame

Lenten Mission with Joey Martineck

What does it mean to be human? St. John Paul II proposes a glorious vision of what it means to be male and female created in the image of God by going back to "the beginning." These dynamic presentations will help your community discover the destiny of every person to participate intimately in love as well as the meaning of life, sex, and gender.

Something

Beautiful

Advent Mission with Joey Martineck

What are you looking for? In today's world, we experience a wide array of desires. But in our heart of hearts, there is a deep longing for something more. Ultimately, we long for "another," seeking love and happiness. In these presentations, we will rely on art and beauty to make visible for us the invisible mysteries of God.
