Re: Save the Date – Clergy Study Day on November 19, Building a Parish of Fruitful Discipleship

Brothers,

We have invited Sherry Weddell from the St. Catherine of Siena Institute to speak on “Building a Parish of Fruitful Discipleship” on Thursday, November 19, at the Archdiocese of Atlanta. The event will be held from 10 a.m. to 3 p.m.

As many of may know, Ms. Weddell is a bestselling author, lecturer and evangelist who speaks on equipping parishes and dioceses to become centers of evangelization and formation. Her book *Forming Intentional Disciples* has sold more than 150,000 copies.

We are partnering with the Office of Formation and Discipleship to bring Ms. Weddell to Atlanta. Their office will be hosting an event for the laity as well on Wednesday, November 18. More details will follow about both events.

I am sure you will find her presentation extremely valuable and relevant during these times. We hope that you can join us.
