Re: Seven ways to transform your parish music program

The Sacred Music Institute of America has provided the Archdiocese of Atlanta two complimentary seats in the webinar “Seven Ways to Transform Your Parish Music Program.” Please see the [attached flyer](#) for further details. This live Zoom event with a panel of clergy and musicians will guide parish musicians in taking the first crucial steps to revitalize their church music program by drawing upon the rich history and living traditions of sacred music.

The webinar will be on Saturday, May 14, at 11 a.m. This seminar will introduce techniques which have already helped to restore beauty and solemnity to church music programs in the United States and around the world.

Since we only have two seats, we will give them out on a first come, first serve basis. Please send me an email to ymunoz@archato.com to let me know if you are interested.

Thank you.
