**Date:** November 16, 2020

**To:** Priests and deacons

**From:** Monsignor James Schillinger, Director, Ongoing Formation of Priests

**Re:** Sherry Weddell Clergy Study Day cancellation

---

Brothers,

As with so many events this year, we are cancelling the in-person Clergy Study Day that was scheduled for Thursday, November 19, due to COVID-19. We are planning to postpone the event to a later date in 2021.

We had planned this event in conjunction with the Office of Formation and Discipleship. They were planning to host a webinar the day before for parish leaders and that has also been cancelled. However, we may be able to reschedule the webinar in the near future and will keep you updated on developments.

Again, we regret we have to cancel the event.

Thank you for your interest.
