**Re:** Social Action Ministry Network

---

The work of social action ministry can be difficult and often thankless. But you don't have to do it alone! Collaboration and networking are key to making a difference in our parishes and communities.

Justice and Peace Ministries has a Social Action Ministry Network for anyone who wants to know more about the many current issues of social concern important to our archdiocese, parishes and families. As part of the network, you will receive *JustPeace*, our twice monthly e-newsletter featuring news, programs, resources and events aimed at both domestic and global solidarity. We also invite you to keep *us* up to date on what you are doing in your own parish community so we can share it in the newsletter and on our website. [Click here to sign up today.](#)
