Live a life worthy of the calling you have received. — *Ephesians 4:1*

## Summer Priest Program

**Purpose:** To support our summer ministry program, which provides weekend Mass coverage on beautiful Topsail Island in the town of Surf City from Memorial Day to Labor Day

**Needs:** Coverage for weekend Masses at either our Hampstead or Surf City campus, up to three Masses per weekend

**Stipend:** Free accommodations in our second-floor, condominium unit at Surf Condos, which overlooks the pool, dunes, and ocean, for the duration of stay. You are welcome to arrive the Friday afternoon (1-3pm) prior to your weekend commitment and leave the following Friday morning by 10am. You will receive, about 2 weeks after your visit, a stipend for each Mass celebrated and a meal stipend for day(s) Mass is said.

**Guidelines:** You are welcome to bring a guest; however, we cannot accommodate pets. At the end of your stay, we encourage you to schedule for the following year, as these opportunities fill up fast. We ask that you contact us with your summer availability as soon as possible. We welcome referrals and would be happy to contact them and discuss our Summer Priest Program.

We hope you enjoy some relaxing down-time during your visit with us, and we are grateful for your assistance in serving the spiritual needs of this growing area.
