Re: Thank you for your Time, Joy, and Generous Participation During this Year's Eucharistic Congress

Each year our Eucharistic Congress brings wonderful folks to this celebration and none are more cherished than my staff, who volunteer to help make this event such a nationally recognized success.

Thank you for your time, your joy, and your generous participation. I especially loved meeting many of your spouses and children who shared with you over the weekend. I am deeply grateful for your kind presence and generous support of this Archdiocesan effort that praises God and unites our people!
