**The Office of Catholic Schools creates new website.** The Office of Catholic Schools has developed a new website at <https://catholicschoolsatlanta.com/> in order to raise awareness of our 18 wonderful archdiocesan Catholic schools in the Atlanta area. The site provides some fast facts, answers to frequently asked questions, local news and events, a brief overview of academic excellence, Catholic identity, technology, graduate profile, financial resources available and more. We invite everyone in the area to explore the website and possibly visit a school nearby in order to discover firsthand the incredible benefits of a Catholic education.
