Re: The Pastoral Communiqué Survey

On May 1, 2017, we introduced an updated Archdiocesan Pastoral Communiqué.

In addition to an updated look of the website, we have reorganized information for each issue of the Communiqué and categorized content by each recipient.

Please share your perspective on these changes by completing this short [survey](#), which will take five minutes or less. Your feedback is greatly appreciated.

If you have any questions, please email communications@archatl.com.

Thank you.
