Re: Toolbox for Pastoral Management workshop, June 5-9

Every few years the Archdiocese of Atlanta hosts the Toolbox for Pastoral Management facilitated by Leadership Roundtable. This is a workshop to help prepare recently or soon to be appointed pastors and administrators with a variety of leadership and management skills.

Many of our priests have attended these workshops and found them to be an extremely valuable investment of their time. While we are not hosting a workshop here this year, there is one taking place at Sacred Heart Seminary in Hales Corner, WI, from June 5-9. The cost is \$1,500 and ongoing formation funds are available for this opportunity.

Please see the [attached flyer](#) for more information and registration details.
