### *About the Serra Club*

The Serra Club is a lay Catholic Organization of men and women, who pray for, support, promote and affirm vocations to the priesthood and religious life. Serra's secondary, although very important purpose is to promote and support our own personal vocation, improving spirituality within ourselves and as a Serra group. The Serra Club was founded in 1934 and is named after Saint Junipero Serra, the 18<sup>th</sup> century Franciscan missionary who tirelessly evangelized the New World and established early California Missions. There are over 800 Serra Clubs in 37 countries worldwide with a membership of in excess of 20,000 men and women. The Atlanta Serra Club, established on May 12, 1955, wishes to express our appreciation for your past support, and it will be through your continued support that the Day of Recreation for the Priests of the Archdiocese of Atlanta will again be a success this year and years to come. **THANK YOU!**
