Re: WEBINAR: CCHD Second Collection

The Catholic Campaign for Human Development (CCHD) second collection is held annually in November, coinciding with the World Day of the Poor. This year's collection will be held the weekend of November 18 and 19.

Join us for a one-hour webinar designed for clergy and parish staff to learn more about the work of CCHD, how the second collection funds that work and ideas for promoting the second collection in your parish. Speakers include Jayna Hoffacker, director of Restorative Justice Ministry and CCHD diocesan director, and Randy Keesler, CCHD Southeast Region grant specialist.

The webinar will be held on Thursday, October 19, at 1 p.m.
