---

The Office of Life, Dignity, and Justice is working with *Warrior2Citizen* to bring programs to our parishes for veterans and their families. *Warrior2Citizen* focuses on families of service men and women and strives to reduce the suicide rate of our veterans using a holistic approach designed by military and academic professionals that incorporates healing interventions; psycho-education; individual, group and family clinical counseling modalities and vocational counseling.

Priests and deacons are needed as military chaplains. Training is provided.

To be a military chaplain, or for more information about *Warrior2Citizen* and their programs, visit [warrior2citizen.org](http://warrior2citizen.org) or email me at [mrousseau@archatl.com](mailto:mrousseau@archatl.com).
