Stewardship-based Recovery Plan

Mission-focused planning to welcome back parishioners

A webinar co-hosted by OSV and the Archdiocese of Atlanta

It is very likely that many parishes are questioning what to do when our communities begin to emerge from the COVID-19 pandemic. Parishes are likely questioning how to welcome back their parishioners and stabilize their parish offertory after weeks of isolation. OSV and the Archdiocese of Atlanta are joining to share ideas and best practices on how to recover.

Here is an insight on discussion topics:

Stewardship messaging now and after pandemic
Welcome back
Review ongoing communications use/tools
Financial transparency – Offertory recover plan

Join OSV and the Archdiocese of Atlanta as they answer questions during these uncertain times and present innovative and practical fundraising strategies.

We have two dates available, Tuesday, April 28 at 10:30 a.m. and Thursday, April 30 at 2 p.m.
