Re: Worldwide Marriage Encounter Retreat – Midweek Format

Marriage Encounter weekends offer married couples and priests opportunities to reflect on their vocation. Considering priests' difficulty covering for their weekend Masses, they have created a special midweek virtual "weekend" on July 20-21. Please see the [attached flyer](#) for further details.

If you would like more information, please visit their website in [English](#) or [Spanish](#), or contact Roger and Annie Borrello at rogerandann@mydoll.org.
